

# Painted Bunting Photo Workshop

## EQUIPMENT CHECKLIST:

This Equipment Checklist is to help you prepare for your Painted Bunting Workshop. You may not own everything here —and that's okay. Just think of this checklist as a guide as you prepare to capture images of these rainbow-colored beauties and their green female counterparts! ~ Jeff

### CAMERA

- Memory card(s) (have plenty of memory)
- Battery(ies)
- Battery charger
- Manual (**important!**)
- Cable release

### LENSES

- Your Biggest – suggestions:
  - A 500mm is ideal!
  - A 400 mm will work
  - A 600mm will work
  - A 300mm with a teleconverter
- Teleconverter(s) if working with 300mm or smaller

### TRIPOD

- Wimberly or other gimbal-type head

### LAPTOP or TABLET

- Power cord
- Card reader
- Cord for camera
