

VISITOR'S ACKNOWLEDGEMENT OF RISK

In consideration of the services of EIF with Jeff Parker LLC (*DBA: Explore in Focus™*), their officers, agents, employees, and all other persons or entities associated with this business (hereinafter referred to as "*Explore in Focus™*"), I agree as follows:

Although *Explore in Focus™* has taken reasonable steps to provide me with appropriate information and skilled guides so I can enjoy an activity for which I may not be skilled, *Explore in Focus™* has informed me that this activity is not without risk. Certain risks are inherent in each activity and cannot be eliminated without destroying the unique character of the activity. These inherent risks are some of the same elements that contribute to the unique character of this activity and can be the cause of loss or damage to my equipment, or accidental injury, illness, or in extreme cases, permanent trauma or death. *Explore in Focus™* does not want to frighten me or reduce my enthusiasm for this activity, but believes it is important for me to know in advance what to expect and to be informed of the inherent risks. It is impossible to know or list every possible risk. The following describes some, but not all, of those risks.

Nature/wildlife photography in rugged country may necessitate hiking and/or walking over uneven, rough terrain. Partaking in nature/wildlife photography may result in: Encounters with wildlife, animals, and insects; The propensity of wild animals to behave in ways that may result in injury, harm, or death to persons around them; The potential of a participant to act in a negligent manner that may contribute to the injury of another participant or others. You may encounter variations in terrain that are your responsibility and, in signing this document, you assume these risks including creeks, water, bridges, traveled roads, trails, cables, wild things, stumps, roots, forest growth, debris, snow and ice, rocks and cliffs, and other obstacles whether they are obvious or not obvious, man-made or natural; Temperature extremes; Inclement weather conditions and the unavailability of immediate medical attention in the wilderness in case of injury.

YOU:

I am aware that the activity entails risks of injury or death to any participant. I understand the description of these inherent risks is not complete and that other unknown or unanticipated inherent risks may result in injury or death. I agree to assume and accept full responsibility for the risks identified herein and those inherent risks not specifically identified. My participation in this activity is purely voluntary; no one is forcing me to participate, and I elect to participate in spite of and with full knowledge of the inherent risks.

I acknowledge that engaging in this activity may require a degree of skill and knowledge different than other activities, and that I have responsibilities as a participant. I acknowledge that the staff of *Explore in Focus™* has been available to more fully explain to me the nature and physical demands of this activity and the inherent risks, hazards, and dangers associated with this activity.

I certify that I am fully capable of participating in this activity. Therefore, I assume and accept full responsibility for myself for bodily injury, death, or loss of personal property and expenses as a result of those inherent risks and dangers identified herein and those inherent risks and dangers not specifically identified, and, as a result of my negligence in participating in this activity.

I have carefully read, clearly understand and accept the terms and conditions stated herein and acknowledge that this agreement shall be effective and binding upon myself, my heirs, assigns, personal representative and estate and for all members of my family, including minor children.
